TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the
ST. LOUIS & SOUTHEASTERN RAILWAY,
has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that
The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES McCABE, Southern Passenger Agent, near College Street Depot, Nashville, Tenn., or to the undersigned.
W. B. DAVENPORT,
General Ticket Agent, St. Louis.

The Evening Post.

WILMINGTON, N. C.

Wednesday, October 8th, 1873.

We see by the Raleigh News that John Spellman, Esq., has gone back to the *Sentinel* as its reporter. Bro. Spellman is one of the best reporters in North Carolina, and we are glad to see that he is again upon a daily paper. Weeklies are altogether too slow for a man of his ability.

The New York Herald, which makes many remarkable discoveries, has added another to the list. In its last Sunday's issue, appears a long letter from its Dundee correspondent, concerning the rescued crew of the Arctic exploring steamer Polaris. In this letter a dark tale is hinted at, which intimates foul play on the part of Dr. Bessel, the scientific man of the expedition. This startling innuendo—which word the Herald's correspondent repeatedly spells wrong—seems to have some confirmation from the fact that the naval department does not permit the crew to visit home until they have been examined by the Board of Inquiry which had the Tyson party before them.

The motive for the suspected crime, which is nothing less than the poisoning of Captain Hall by Dr. Bessel, was that the Doctor desired the honor of the exploit of reaching the pole for himself, and murdered his commander to secure it. Whether such a cause did exist in the mind of an otherwise rational man, or whether the conjecture is the child of a strained imagination, it is impossible to determine now; but the public will not believe such a fearful tale without irrefragable proof.

The fox hunt is about to assume a definite understanding. Do Messrs. Suit & Co., mean business?

TOWNSVILLE, GRANVILLE CO., North Carolina, Sept. 30, 1873. Messrs. Suit, Marshall & Cross:

GENTLEMEN: I am in receipt of yours and in reply I had an idea that you were merely "bouncing" when I first replied to your challenge, but now that I believe you to be in earnest I am willing to match my pack against yours for \$10,000—the present money panic will prevent me completing my first offer for some time—therefore I will reduce the amount to \$10,000; and if you will send me particulars of location, time, judges, &c. at your earliest convenience, I will do all in my power to meet your views without unnecessary delay. I am very anxious to bring this matter to a speedy issue, and I believe that my hounds are superior to yours. The fox hunters in this State are determined to support me, and I can deposit the cash at any time on fourteen days' notice. I do not require references of respectability from you; it is sufficient for me to know that you are sportsmen, and if you are prepared to deposit the cash so am I.

I should prefer (in order to prevent any dissension afterward) that the articles of agreement should be drawn up by our respective attorneys. Waiting your reply, I am, gentlemen, very truly, yours, R. G. SNEED.

General Baker, the Commissioner of Pensions, has issued an order for the preparation of a "grand roll of pensioners," which shall begin with the Revolutionary period and embrace all pensioners under all acts, from the beginning of the Government till the present time; and in which the names shall be given alphabetically arranged, together with the service, date, the disability, changes, if any, in the pension, and final discontinuance of the same by death or other cause. The pension roll has heretofore been kept by the rolls of agencies and by the number of the certificate. Requisition has been made for the necessary books, and with the limited force able to engage in the work, it will take about two years to complete it.

The Raleigh News says that a minister of that city, in his last Sunday's sermon, "went for" the circus goers of his congregation, and small patches of fur could be seen laying around loose in nearly every pew. If such a state of things exist in the pious city of Raleigh, the Post wants to know what will be the facts of the case concerning such a Sodom as Wilmington.

A physician of Naples has transfused blood from the carotid artery of a lamb into the veins of a lady exhausted by hemorrhage, by means of a gum elastic tube.—Exchange. Dr. J. Francis King, of this city, performed a similar feat several years ago for a patient in a hospital here, the remarkable particulars of which were published at length in all the leading medical journals of this country and Europe, and which gave to Dr. King a world wide celebrity.

EDITORIAL BUDGET.

The State of Connecticut on Monday voted upon the proposed constitutional amendment making Hartford the sole capital. One hundred and nineteen towns, including all the cities but New Haven, give 15,640 majority for the amendment.

Governor Powers has issued a proclamation convening the Legislature of Mississippi, in extraordinary session on the 20th inst., for the purpose of amending the election laws and transacting such other business of paramount importance as he may hereafter specially recommend for consideration.

The Carlists are fast losing ground in the northern provinces. They are utterly demoralized, and the men accuse their leaders of treason. General Moraines, commander of the Republican troops, is energetically advancing them. The seige of Cartagena is proceeding actively. Firing is very sharp on both sides. Many of the insurrectionists desert daily and surrender to the Republican forces.

At a meeting of the Deputies of the Right in Paris on Monday the following Cabinet was decided upon in the event of a change in the Government at the opening of the Assembly: Duc Descazes to be Minister of Foreign Affairs; Bocher, of the Interior; Chestel, of Finance; Depesye, Justice; Grivart, Public Works; Dupeyron, Commerce; Desjardins, Public Instruction; DeMontaigne, Minister of Marine; General Chagnier, Minister of War.

The forty-third semi-annual conference of the Church of Latter-day Saints was held last Monday, with a large attendance. Brigham Young and others addressed the congregation. Eighteen missionaries were sent to Europe and four to the Sandwich Islands. Brigham has again been elected president of the Zion Co-operative Institution. The report of the officers shows a large business and about \$70,000 assets above its liabilities. The First National Bank re-opens next week, with abundant means.

The Senatorial Committee on Privileges and Elections, Senator Morton Chairman, met in secret session at the Fifth Avenue hotel in New York, October the 6th, and drafted, it was stated, an amendment to the Constitution, to be submitted to the United States Senate for its action, looking to a better and more practicable mode of electing the President and Vice President, and providing a tribunal to adjust and decide all questions relative to Presidential elections which may be contested.
